Fellow Toastmasters,

As you are all aware currently we are in an interesting time with the COVID-19. We wanted to take a moment and let you know your Trio is actively working with multiple people and Toastmasters International to adjust plans and events as needed due to the current events. We will try to update everyone as soon as we get more information. You will be able to find the most current information on our weekly email, website, and social media pages.

**At this time ALL Division contests will be done virtually.** Your Division and Area Directors will have more information to follow during this next week. If you are a contestant there will be another email coming out soon with more information about the contest.

At this time the District 12 Spring Conference, Business Meeting, and Contest will still be held on May 2<sup>nd</sup> in San Bernardino, CA

Below you will find information about your club meeting along with a link to CDC.gov Corona Virus information. If you have any questions you can also contact me at any time. Thank you for your support during this process.
